Q: Normalizing old comments The moderator deleted my answer because the question was asked and answered two years ago and I didn't edit the question/answer. How to deal with comments posted before SO implements a date restriction for comments? A: When you're making an edit, the only thing you can do is edit it. That's it. The change will take effect immediately, so no one will be able to comment on your edit (though they can still comment on the post). You can't delete the comments - they'll still be in the question/answer and can still be commented on. They can be flagged if necessary, and the moderator handling the flag will take a look at them. Once your edit is approved, you can try to comment on the question or answer again, as long as you don't do it from the same IP address. You'll probably get a message telling you that you've exceeded the character limit, but that 4bc0debe42
